The team behind the truly brilliant Snowbombing are something of experts when it comes to creating memorable holidays for clubland's more discerning road-trippers. Whether you're a seasoned veteran of the white isle or thirsty Ibiza virgin let Beachbomging be your guide to a whole new Ibiza experience. From secret beach parties to the Amnesia terrace, Zoo parties to A List club entry the BB ticket is the only one you need to make Ibiza 2008 a reality.

Just like you program your ipod before you pack it, this late summer sandy soundtrack AND all the parties and random fun fuelled nonsense to play along with it are all ready to go. The people who bought you a rave in an igloo 3000 feet above sea level have announced an itinerary to satisfy even the most demanding thrill seekers.

IBIZA ROCKS HOTEL WILL BE ROCKING as Beachbomging tune up and plug in to the most happening Hotel anywhere on Ibiza as the base for all bombers: the IBIZA ROCKS HOTEL; a hedonistic hub of sun-drenched pleasures and poolside capery programmed by the folks behind Ibiza Rocks and Manumission.

And so it begins. **WEDNESDAY NIGHT** will see a momentous Manchester-infused, Mediterranean mosh up which will be headlined by **THE WHIP**. This show marks the end of a summer of frenzied festival appearances by Danny and his band of Balearic bleepsters, and the action doesn't just end there;

prolific producing person **HERVE** and DJ remixer par excellence **SINDEN** will be throwing their sonic spanners into the mix to kick start the first Beachbombing in Ibiza in style.

FRIDAY AFTERNOON will play host to **The Abandoned Zoo Party** taking you deep into the Benimussa hills to one of Ibiza's forgotten gems; 'Apocalypse Now' meets 'Animal Magic' for what is set to be one of Ibiza's most memorable parties. Relax by the pool or mosh until you drop in the seal pit! Expect open-air music areas, decks around a palm tree lined swimming pool, stacks of shaded seating, a BBQ area not to mention a penguin enclosure to parade your well-rehearsed moves.

SATURDAY will see Beachbombers return to their Ibiza Rocks base once again for the afternoon **Fancy Dress Pool Party!** Don your most ridiculous comedy costume and head to the poolside for an afternoon of complete and utter nonsense and tomfoolery led by Barry Peters and the Cuban Brothers. Joining in with the spirit of the closing parties expect this to run long into the night.

Full Steam A Hat... More 'mad' than med, a fancy dress boat party cruise will set sail for a day on the Ocean. Heading into the sunset the H-U-G-E glass bottomed catamaran complete with full DJ set up and extra sound equipment will whisk revellers off on unforgettable trip around the island. Wave goodbye to the shore and your sanity as the all day cruise plots an ice cool course around some of the islands most mystical sites; the mysterious mountain isle of Es Vedra, the hidden beach known as 'Atlantis', oh and Elle McPherson's villa if you will. Stopping off at a gorgeous beach, diving for champagne and generally causing a random, surreal, sweet sounding commotion on the ocean, this sun drenched equivalent to the arctic disco comes at an little extra cost but is exclusive to Beachbombers and keeps the social spirit within the festival afloat.

To modify your mood in sweet preparation for the beast that is the MANUMISSION CLOSING PARTY (for which each Beachbomber is guaranteed a ticket), Beachbombing will take over BAR M. The sinking of (discounted) drinks and grooving to an exclusive Beachbombing soundtrack should get you in the mood before boarding buses to CREAM @ AMNESIA where Beachbombing will be will be hosting the legendary terrace **exclusively for Beachbombers**. This will be an additional fee but with rare access to your own terrace with all your Beachbombing chums it's an opportunity not to be missed.

No other package gives clubbers the opportunity to experience the ultimate mix of closing parties, fancy dress fun, poolside frolics, exhilarating day trips and exclusive Ibiza parties - Beachbombing offers you 5 days of unrivalled fun for a price that won't break the bank.

Flexi-Fly...and save money! By smartly tailoring your flights to arrive or depart a few days before or after the event, you get a few more days to enjoy the Island, may save money on flights AND could catch 'We Love Sundays @ Space with 2Many DJ's (which is reason alone to stay an extra night).

You can book Beachbombing Ibiza from £149 - which is more or less the same price as a Corby Trouser Press. Ask yourself a simple question; which would give you an unforgettable week, an increased social circle and extension to your summer?

Beachbombing: It's Ibiza...but much, much better!
